HOMEOPATHIC REMEDIES INSTRUCTIONS

Begin taking the Homeopathics at least 2 days prior to your appointment, and continue for 1 week after your surgery or until drops are gone. The directions are as follows:

PRE AND POST SURGERY

Body Mend: 20 drops under tongue 3 times per day. *Do not eat or drink for 20 minutes after taking.* Continue taking drops 3-7 days following surgery.

Toxiclense: 10 drops under tongue 3 times per day. Again, nothing by mouth for 20 minutes following. Continue taking drops 3-7 days following surgery.

Lymphohepat: 10 drops under tongue 3 times per day. Continue taking drops 3-7 days following surgery.

DAY OF SURGERY

Body Mend: In acute conditions, take 20 drops (approximately one half dropper) every 20 minutes, decreasing to hourly once improvement is observed.

Lymphohepat: In acute conditions, take 20 drops hourly.

Please no oral Vitamin C for 24 hours prior to your appointment! IV-C or Lipospheric Vitamin C is OK.

****Bring the above meds with you on the day of your appointment.****
